

MUB SERIES

Universal-Mount Fan Coil

LENNOX DELIVERS CONVENIENT COMFORT ALL YEAR 'ROUND

The MUB Series from Lennox provides exceptional cooling and heating capacity that is ideal for limited-area applications. Its modern and elegant appearance can easily accommodate design considerations and the LED display makes it user-friendly for precise comfort control. With a flexible drainpipe design, the MUB series is designed for ceiling and floor installations.

The MUB offers efficient operation

Quiet Evaporator Operation—Large-diameter cross-flow fan greatly reduces air noise.

Hydrophilic Aluminum Fin—Promotes effective heat transfer and reduces moisture for improved temperature and humidity control.

Auto Restart Function—When the power supply is interrupted and then restored, the unit automatically resets to the previous function.

Water Collection—Units are made waterproof by utilizing an absorbent plastic film on the drain pan.

Auto Swing—With horizontal and vertical auto swing functions, the MUB Series delivers an extra-wide angle of airflow for maximum comfort.

Three-Level Fan Speed—Provides different air supply levels for greater comfort.

MUB SERIES FAN COIL PERFORMANCE SPECIFICATIONS

	Tonnage	Model	Voltage	Packing Dimensions H x W x L [inches]	Gross Weight Set (lb.)	Loading QTY (set/40HQ)
